001	Associated Electrical Industries Ltd	Diesel-Electric Locomotives Type 1 (Bo-Bo)	Instruction Book	British Transport Commission British Railways	2 duplicate copies
001	Associated Electrical Industries Ltd	800 H.P. Tyoe 1 Diesel Electric Locomotives Nos. D8200 to D8243	Parts List for Control Apparatus And Electrical Machines	British Railways	
001	Associated Electrical Industries Ltd	London Midland Region A.C. Electrification Locomotive Nos. E3046 to E3055	Parts List for Electrical Control Apparatus	British Railways	
002	Associated Electrical Industries Ltd	Diesel-Electric Locomotives Type 2 (Bo-Bo) 1160 H.P. Locomotives Nos. D5000-D5150 Type 2 (Bo-Bo) 1250 H.P. Locomotives Nos. D5151-D5175	Parts List for Control Apparatus And Electrical Machines	British Railways	Two copies with identical covers as listed above but the second appears to be an overspill of the first
002	Associated Electrical Industries Ltd	1250 H.P. Type 2 Diesel - Electric Locomotives Nos. D5176 to D5232 D5233 to D5299 D7500 to D7597	Service Handbook	British Railways	
002	Associated Electrical Industries Ltd	Type 2 1250 H.P. Diesel - Electric Locomotives Loco No. 7598 to D7677	Service Handbook	British Railways	
002	Associated Electrical Industries Ltd	Diesel-Electric Locomotives Type 2 (Bo-Bo)	Instruction Book	British Transport Commission British Railways	
003	Associated Electrical Industries Ltd	Type 2 1250 H.P. Diesel - Electric Locomotives Loco No. 7598 to D7677	Parts List - Control Apparatus And Electrical Machines	British Railways	
003	Associated Electrical Industries Ltd	Type 2 1250 H.P. Diesel - Electric Locomotives Loco No. D5176 to D5232 D5233 to D5299 D7500 to D7597	Maintenance Manual - Control Apparatus And Electrical Machines	British Railways	

<i>Box No</i>	<i>Manufacturer</i>	<i>Title</i>	<i>Aspect</i>	<i>Rail Company</i>	<i>Publication Notes</i>
003	Associated Electrical Industries Ltd	1250 H.P. Type 2 Diesel - Electric Locomotives Loco Nos. D5176 to D5232 D5233 to D5299 D7500 to D7597	Parts List for Control Apparatus And Electrical Machines	British Railways	
003	Associated Electrical Industries Ltd	Type 2 1250 H.P. Diesel - Electric Locomotives Loco No. 7598 to D7677	Maintenance Manual - Electrical Equipment	British Railways	
004	Associated Electrical Industries Ltd		Products		early '60s catalogue of mainly signalling equipment issues to Retford Signal Workshops, ER
004	Associated Electrical Industries Ltd	1250 H.P. Type 2 Diesel - Electric Locomotives Loco Nos. D5176 to D5232 D5233 to D5299 D7500 to D7597	Maintenance Manual - Control Apparatus And Electrical Machines	British Railways	
004	Associated Electrical Industries Ltd	Diesel-Electric Locomotives Type 2 (Bo-Bo) 1160 H.P. Locomotives Nos. D5000-D5150 Type 2 (Bo-Bo) 1250 H.P. Locomotives Nos. D5151-D5175	Parts Catalogue for Electrical Equipment	British Transport Commission British Railways	
004	Brush Electrical Engineering	Type '2' Locomotives	Locomotive Operating Instructions and Fault Finding for Drivers. Film Strip Edition		1963-05
004	Associated Electrical Industries Ltd	1200 HP Co-Bo Type 2 Diesel-Electric Locomotives Nos. D5700-D5719	Instruction Book. Volume IV Auxiliaries	British Transport Commission	
004	Associated Electrical Industries Ltd		Products		Early '60s catalogue for Distribution Equipment
005	Brush Electrical Engineering Co., Ltd	Type 1 Diesel-Hydraulic Locomotive 650 H.P.	Electrical Control Equipment	British Railways	1964-06
005	Brush Traction Ltd	Diesel Electric Locomotive No's D5500-D5519	Instuction Book (Mechanical)	British Transport Commission British Railways

<i>Box No</i>	<i>Manufacturer</i>	<i>Title</i>	<i>Aspect</i>	<i>Rail Company</i>	<i>Publication</i>	<i>Notes</i>
017	Brush Electrical Engineering Co., Ltd		Technical Literature			Contents are "Prototype High Speed Diesel Train for British Rail 2,250 H.P. Power Car Description and Operation of Electrical Equipment"
018	Brush Electrical Engineering Co., Ltd	950 H.P. Diesel Electric Locomotive	Technical Specification	The British Transport Commission (British Railways Division)	1962-05	Enclosed letter is quotation for supplying these locos
018	Brush Electrical Engineering Co., Ltd	Type "2" Main Line Diesel Electric Locomotives A1A-A1A 1250hp Nos 5500 - 5519	Supplement to Spare Parts List Electrical Control Gear	The British Transport Commission		
018	Brush Electrical Engineering Co., Ltd	2750 H.P. Co-Co Type Main Line Diesel Electric Locomotives	Instructions and Schedule of Supply for the Purpose of Tendering for Power Equipments suitable for locomotives built to the design of Brush Electrical Engineering Co., Ltd., Loughborough		1962-01-04	
018	Brush Electrical Engineering Co., Ltd	Standard 200 H.P. 0-4-0 Diesel Electric Shunting Locomotive				Folder containing loose information sheets on the locos
018	Brush Electrical Engineering Co., Ltd		Tender and Specification for Southampton Docks	British Transport Commission	1960-10-06	For supply of 275/300 hp shunting locos. Includes loose drawing
018	Brush Electrical Engineering Co., Ltd	Loco D1520 onward	Electrical Equipment Maintenance & Overhaul Manual			Loose leaves without folder
018	Associated Electrical Industries Ltd	Complete Main Line Diesel Electric Locomotives	Specification	British Transport Commission	1960-07	wallet containing 19 drawings for type 4 loco
018	Brush Electrical Engineering Co., Ltd	200 H.P. Standard Diesel - Electric Locomotive	Instruction Book (Electrical Machines)		1960-05	
018	Brush Electrical Engineering Co., Ltd	200 H.P. Standard Diesel - Electric Locomotive	Instruction Book (Mechanical)			

<i>Box No</i>	<i>Manufacturer</i>	<i>Title</i>	<i>Aspect</i>	<i>Rail Company</i>	<i>Publication</i>	<i>Notes</i>
018	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4 (alternative) 2	Specification	British Transport Commission British Railways	1960-07	Wallet containing booklet
018	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4	Specification	British Transport Commission British Railways	1960-07	Wallet containing booklet, list of subcontractors, schedule of guarantees, and drawing of loco. Drawing shows twin engined loco.
018	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4 (alternative) 2	Specification	British Transport Commission British Railways	1960-07	Wallet containing booklet and drawing of loco. Drawing shows single engined loco.
018	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4 (alternative) 1	Specification	British Transport Commission British Railways	1960-07	Wallet containing booklet
018	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4	Specification	British Transport Commission British Railways	1960-07	Wallet containing specification booklet, list of sub-contractors, schedule of guarantees and tender letter
019	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 1	Specification	British Transport Commission British Railways	1960-07	Wallet containing specification booklet for 900hp locos, list of sub-contractors, schedule of guarantees and drawing of loco. Also part of an unrelated tender letter from Hudswell Clarke for 200hp locos
019	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 1	Specification	British Transport Commission British Railways	1960-07	Wallet containing specification booklet for 900hp locos, list of sub-contractors, schedule of guarantees, drawing of loco and two copies of tender letter
019	Associated Electrical Industries Ltd	Type 1 900hp Diesel Electric Locomotives	Tender Specification	British Transport Commission	1962-05	
019	Associated Electrical Industries Ltd	650 H.P. 0-6-0 Type 1 Diesel Electric Locomotive	Specification of Power Equipment to be used	British Transport Commission	1962-06	
019	Associated Electrical Industries Ltd	Complete Main Line Diesel Electric Locomotives	Tender	British Transport Commission	1960-07	For type 1 900hp loco

<i>Box No</i>	<i>Manufacturer</i>	<i>Title</i>	<i>Aspect</i>	<i>Rail Company</i>	<i>Publication</i>	<i>Notes</i>
019	Associated Electrical Industries Ltd	Type 4 Diesel Electric Locomotives	Tender Specification	British Transport Commission	1962-07	Folder contains drawings by Met-Camm for Type 4 & Type 5 locos
019	Associated Electrical Industries Ltd	Type 1 Locos	Fuel Transfer Pump Motor			Loose drawing
019	Brush Electrical Engineering Co., Ltd	950 H.P. Diesel Electric Locomotive	Technical Specification	The British Transport Commission (British Railways Division)	1962-05	also contains schedule of guarantees and tender letter for 900hp locos
020	Brush Electrical Engineering Co., Ltd	Standard 200 H.P. 0-4-0 Diesel Electric Shunting Locomotive				Folder containing loose information sheets on the locos
020	Brush Electrical Machines Ltd	Class 45 Locomotives	ETH Conversion Parts List	British Rail		
020	Brush Traction Ltd	200 H.P. Diesel-Electric Locomotive Type 0-4-0	Technical Specification	British Transport Commission British Railways, Western Region		Contains drawing and tender letter
020	Brush Electrical Engineering Co., Ltd	200 H.P. Diesel-Electric Locomotive Type 0-4-0	Technical Specification	British Transport Commission (British Railways Division)		Contains drawings and tender letters
020	Brush Electrical Engineering Co., Ltd	200 H.P. Shunting Locomotives	Specifications for Power Equipments	British Transport Commission British Railways		For 200 hp 0-4-0. Contains drawings
020	Brush Traction Ltd	200 H.P. Diesel-Electric Locomotive Type 0-4-0	Technical Specification	British Transport Commission British Railways, Western Region		Contains drawings and tender letter
020	Brush Electrical Engineering Co., Ltd	Diesel Electric Locomotives Type 2	Specifications for Power Equipments	British Transport Commission British Railways	1961-04	Contains schedule of guarantees and tender letter
020	Brush Electrical Engineering Co., Ltd	Diesel Electric Locomotives Type 4	Specifications for Power Equipments	British Transport Commission British Railways		For 2500 HP Locos
020	Associated Electrical Industries Ltd	Complete Main Line Diesel Electric Locomotives	Specification	British Transport Commission		Includes Schedule of guarantees and tender letter

23	Beyer Peacock Gorton Ltd	Type 2 Locomotives Nos. D7624 to D7659	Mechanical Parts Spare Parts Catalogue	British Railways Board		
23	Beyer Peacock Gorton Ltd	900 H.P. Type 1 Diesel Electric Locomotive	Specification for	British Transport Commission	1962-05-07	wallet containing tender letter, schedule of guarantees, specification, BTC letter about Type Test on power unit, maintenance schedule, info on traction motors and four drawings
23	Beyer, Peacock (Hymek) Ltd	59 Type 4 - 2700 H.P. Diesel Hydraulic Locomotives	Tender for	British Transport Commission	1959-07-20	
23	Beyer, Peacock (Hymek) Ltd	1700 H.P. Type 3 Diesel Hydraulic Locomotives	Engine Overspeed - Tachometer Relay Equipment with Generator Installation and Maintenance Instructions			Beyer Peacock cover on a Smiths Industries document
23	Beyer, Peacock (Hymek) Ltd	1700 H.P. Type 3 Diesel Hydraulic Locomotives	Maintenance and Overhaul Manual (Mechanical Parts)	British Railways Western Region	1962-09	
24	The British Thomson-Houston Company, Limited	350 H.P. Diesel-Electric Shunting Locomotives	Description and Operation of Power Equipment	British Railways	1955-01	

<i>Box No</i>	<i>Manufacturer</i>	<i>Title</i>	<i>Aspect</i>	<i>Rail Company</i>	<i>Publication</i>	<i>Notes</i>
24	The British Thomson-Houston Company, Limited	350 H.P. Diesel-Electric Shunting Locomotives	Spare Parts List No.922	British Railways	1955-01	
24	The British Thomson-Houston Company, Limited	Diesel-Electric Locomotives D8200 to D8209	Spare Parts List	British Railways	1959-08	
24	The British Thomson-Houston Company, Limited	350 H.P. Diesel-Electric Shunting Locomotives	Maintenance Instructions for Electrical Equipment	British Railways	1955-01	
24	The British Thomson-Houston Company, Limited	Diesel-Electric Locomotives D5000-D5113	Operation And Maintenance	British Railways		
24	The British Thomson-Houston Company, Limited	Diesel-Electric Locomotives D8200 to D8209	Operation And Maintenance	British Railways	1958-08	
25	The British Thomson-Houston Company, Limited		Spare Parts Lists			Many duplicate pages from a spare parts catalogue, but not a complete item.
25	The British Thomson-Houston Company, Limited	200 H.P. Diesel Electric Shunting Locomotives	Tender for Power Equipments	British Transport Commission	1958-09-16	
25	The British Thomson-Houston Company, Limited	200 H.P. Diesel Electric Shunting Locomotives	Specification T.5246 - Power Equipments	British Transport Commission	1958	Bound document with loose drawings in rear pocket
25	The British Thomson-Houston Company, Limited	200 H.P. Diesel Electric Shunting Locomotives	Specification T.5245 - Power Equipments	British Transport Commission	1958	Bound document with loose drawings in rear pocket
25	The British Thomson-Houston Company, Limited	Complete Main Line Diesel Electric Locomotives	Specification	British Transport Commission	1957-06	Bound document with loose drawings and documents in rear pocket. 1500hp loco, appears to be the later designated Class 33 design
26	Bristol Siddeley Engines Limited		Development Work for the Chief Machanical Engineers Department	British Railways Board	1964-05	Report on endurance tests on a V8 MD440 engine, with photos
26	Bristol Siddeley Engines Limited		Type MD 655 Diesel Engine Log Book	British Transport Commission	1963-06-14	Manufacturers test report on new engine, numbered 655324
