### **Notes of the Song and Its Historical Background**

The Cheltenham and Great Western Union Railway opened between Cheltenham and Gloucester in 1840 ref [http://en.wikipedia.org/wiki/Cheltenham\\_Spa\\_railway\\_station](http://en.wikipedia.org/wiki/Cheltenham_Spa_railway_station)

The first line is very similar to the first line of Bar480, *The Wonderful Effects of the Leicester Rail Road* suggesting that it might be a variant of that song.
